Answers:

Directions (Q. Nos. 1- 258) Which of the phrases given below the sentence should replace the word phrase given in underline in the sentence to make it grammatically correct? If the sentence is correct as it is given and no correction is required, select 'No correction required' as the answer.

1. **Ans (d)** 'Present government's willingness' is suitable replacement here Willingness must be of a noun and 'government' is that noun here.

e.g Renovation of the society is upto the secretary's willingness

2. **Ans (b)** The sentence is clearly showing a number of advantages that a city can have. So, 'some' is suitable usage here. Hence, (b) is appropriate.

e.g. Some of the good features of this phone include its surround sound, excellent camera and longer life of the battery.

3. **Ans (e)** No correction required

4. **Ans (d)** 'Better quality students' is the suitable replacement here. This meets the context well.

e.g. The new machinery will provide better quality products from day one.

5. **Ans (c)** 'Women' is plural subject and it will agree to the plural verb only. So, "take care of" is the only suitable choice,

e.g. Students of modern days take care of their study and career both.

6. **Ans (a)** Use 'difficulties of managing' which is the correct replacement here. Here, a noun is required and 'difficult' is an adjective

e.g. The new manager is having difficulties in managing the official operations.

7. **Ans (e)** No correction required

8. **Ans (d)** There is a requirement of an adverb in the sentence. So, 'bare' is to be replaced by 'barely' to make it correct.

e.g. The convict barely escaped from the charges that were against him.

9. **Ans (c)** Co-ordinate connector 'and' is followed by same verb forms. So, 'implement' is to be changed into 'implementing'.

e.g. The company is planning and implementing every policy.

10. **Ans (c)** 'Innovation' is a singular subject. So, it is to be followed by a singular verb. So, we should use 'has' in place of 'have'

e.g. He has always been helpful to me.

11. **Ans: (c)** The event is linked to the past. So, the verb should also be used of the same tense. So, 'starts' is to be replaced by 'started'

e.g. People started saving water ahead of prospective water crisis.

12. **Ans: (d)** To show a strong possibility, we should use 'can'. So, 'can be risky' is correct replacement.

e.g. Driving carelessly can be risky to one's life.

13. **Ans: (a)** 'Encouraging' is the wrong usage. We are to use 'encourage' here as it is coming after 'to' and rule of infinitives says that after 'to' V₁ should be followed.

e.g. Rebates are allowed to customers in order to encourage them for purchasing.

14. **Ans: (a)** The expression should read out as 'is not responsible for'. This shows that the owner is the one who acts as subject and verb should agree in same number.

e.g. Enquiry revealed that the manager is responsible for the theft of the gold.

15. **Ans: (a)** 'Rate' should either be 'more' or 'less'. So, the correct replacement is 'more than prevalent' here.

e.g. The rate of literacy is more in Kerala than that of Haryana.

16. **Ans: (d)** 'But' is suitable usage but 'who' should not be used with houseflies. So, option (d) is only suitable choice here.
